AHMED ABDULRAHMAN AL OBAID

☎ | 0556998030   ✉ | ahmed.al-obaid@outlook.com   📍 | Riyadh

🎓 EDUCATION

▶ **Bachelor's degree in General Economics | 2024**
   College of Business Administration - King Saud University

Graduation research:
The Impact of Interest Rates on Financial Markets: Econometric Study on the Kingdom of Saudi Arabia during the period from 1990 - 2021 AD.

📋 EXPERIENCES

▶ **Economic Consultant - AI Training on Economic Data | 06\ 2024 - 12\ 2024**
   Development & Consulting Services Institute

Main responsibilities:
• Support the development of AI models using economic data from various sources.

▶ **Economic Research Assistant - Trainee | 01\ 2024 - 05\ 2024**
   Asem Taher Arab Consulting Company (ATAC)

Main responsibilities:
• Working within the economics team, contributing to two main projects: enhancing food security and developing a project to establish storage warehouses:
- In the food security project, I focused on collecting and analyzing crop data, following their growth over three years to assess the factors affecting productivity and its sustainability.
- In the warehouse project, I played a major role in collecting the necessary data for the project.
• Used quantitative and qualitative analysis skills to interpret data, which led to improved strategic understanding of factors influencing food security and crop growth forecasts.
